

COVID-19 Safety Guidelines

Although many things around us have changed, one thing that remains the same is our strong commitment to your safety. **Effective June 26, 2020**, our clinic has adopted these safety requirements and recommendations from WA State Governor Jay Inslee, U.S Centers for Disease Control, State Board of Occupational Health and Safety Administration, and American Medical Association:

Clients and Guests

- **Cancellations Need 12 HOURS MINIMUM NOTICE:**
We ask if you are sick, running a fever, have a dry cough or have been knowingly exposed to anyone with symptoms of illness within the last 14 days that you inform us with at least 12 hours notice to CANCEL your appointment.
- **Wear a Mask** (WA State Mandate, effective June 26, 2020)
- **Client and ONE Guest in Clinic:**
This guest will also be required to go through the same pre-screening process.
- **COVID-19 Health Consent Form:**
Completed electronically each session in lobby by patient and guest.
- **Temperature Check:** In lobby
- **Hand Sanitation:** In lobby

Therapists:

- **Personal Protective Equipment (PPE):** Masks, gloves, and/or eye protection to be worn to decrease cross contamination. Therapists also complete their own daily screening and do not come in to work if they develop symptoms of illness.
- **Disinfecting:** All surfaces and tools in contact with the client are disinfected before use.
- **Hours of Operation:** We have reduced the number of appointments to allow for safer social distancing.

We are looking forward to seeing you all and are happy to answer any questions you may have about the steps we are taking to keep you, and every Client, safe in our clinic. We truly value your trust and loyalty and look forward to welcoming back our guests, neighbors and friends!
